

Hi [Name],

I'm [Your Name] from [School/District Name], and I wanted to share something with you that has truly transformed my classroom.

Over my [X] years at [School Name], I've built deep connections with my students, their families, and our wider community. One tool that has been instrumental in making this happen is ClassDojo. It's helped me engage families, build classroom culture, and create a more connected learning environment.

I'd love to give you a peek inside a real ClassDojo classroom and share how this free tool has empowered me as a teacher. If you have a moment, let's [grab coffee/hop on a Zoom/chat]! Just let me know when you're available.

Looking forward to connecting!

Best,
[Your Name]
