This year, with ClassDojo, we will build our classroom community together.
What does that mean for you and your students?

A positive culture
Whether in the classroom or remote, students will feel like part of our classroom community.

Families deeply connected
ALL families will be part of our classroom community, seeing what we’re learning every day.

Students engaged
Students participate in building a positive culture where they are actively engaged in learning that they love.

Teacher + students + family = We’re a team 🙌 and teamwork makes the dreamwork.
As a teacher, I will...

- Post announcements, files, events, and reminders to our Class Story
- Share photos and videos of classroom activities, lessons, and more on our Class Story and through Messages
- Send private messages to keep you in the loop
- Like and leave positive feedback on students’ Portfolios
