

## Series 2, Episode 2 Discussion Guide

In Episode 2, “Climbing out of The Dip,” Katie learns from Ms. Clara and Mojo how to become a better artist.

- 1 What should you do when you make a mistake?
- 2 What will happen if you continue to repeat this process? Try using the word "neuron" in your explanation!
- 3 So how do we escape the dip? Give a real life example (even better, an example from your own experience).

Teacher tip: Use ClassDojo to encourage “Reflecting” in your classroom this week.

***On the next page are a few “take-home” questions for parents, so they can watch the video and reinforce the concept at home!***
