

Back to School Night

Our goal

**This year, with ClassDojo,
we will build our classroom
community together**

What does that mean for you and your students?

Positive Culture

Whether in the classroom or at home, students will know that we're a team to support them this entire year

Deep Connection

All families are invited to be part of our classroom community, with a window into all the magic moments & learning milestones

Students Engaged

Students participate in building a positive culture where they are actively engaged in learning that they love ❤️

How ClassDojo works in our class

With a parent account, you can see...

- Class & School announcements, files, events details, and reminders
- Photos and videos of classroom activities, lessons via the story feed or private messages
- **Private messages** or **group messages** from Teachers to keep you in the loop
- If student feedback is given, a detailed report of the past two weeks of points and comments is easily accessible

With a parent account, you can

- Like and/or comment on photos, videos, Events, and files shared on Class Story
- Like and leave positive feedback on your student's Portfolio
- Communicate with teachers with private direct messaging
- Translate any message or Class Story caption into your preferred language as needed
- Sign up for events happening in the classroom or at school

Students can...

- Login to their accounts to view their point report from the current week, view Class Story posts, complete assigned Activities to build their digital Portfolio, and customize their avatar.
- Watch Big Ideas video series with Mojo and his friends to learn about skills such as Perseverance, Growth Mindset, Mindfulness, and more!
- Interact and play together in a virtual playground called Dojo Islands! They'll work together and cultivate their creativity through play in a controlled and fun environment.

I really liked when we got to plant
seeds today. 😊 We watered them and
talked about what they need to grow.
I hope mine gets really tall! 🌱☀️💧🌈

Dojo Islands

Where students collaborate,
create, and more

- Dojo Islands is a place for kids to learn through play together. In a private, virtual world made just for their class, students can practice problem-solving, use their imaginations, and work together to create make-believe scenarios—with friends they already know from school.
- You can check it out for yourself, too! Toggle to your child's account via the app and tap on the "Dojo Islands" image at the top.

Let's get connected

3 easy steps

1

Download the app

On your iOS or Android device for free. All you need is an email address.

2

Sign up as a parent

Or login to your existing parent account. If you have a teacher account, use a separate email.

3

Tap on your invite link or enter your parent code

If you were connected last year, no need to connect again!

Support learning at home with

ClassDojo Plus is getting a glow-up this back-to-school, with even more new features rolling out soon to help kids thrive in school and beyond.

Homework help, without the frustration

Get instant, step-by-step support on tricky assignments.

A kid-perfect library at your fingertips

Explore 1,000+ interactive books – from fairy tales to fun facts.

Positive habits, made simple

Encourage good choices and confidence with Home Points.

Try it free for 7 days

No stress, no strings. Just more ways to support your child.
